	on Human Rights		
--	-----------------	--	--

As per the objective of institution, different events have been structured to achieve holistic development of the students. These events helped in creating strong potential among students wherein ethics are strongly rooted in the minds. The guest lectures for different subjects are organized to give different learning experience. The students are motivated to participate in the programs like voter's registration, human rights, yoga for health, etc. International, national and state level seminars, conferences and workshops are organized in different subjects so that students and faculty can keep abreast in the concerned subjects. In view of effectiveness of experiential learning, study tours, industrial visits, field visits are organized to imbibe cultural of self-learning. Seminars and research projects are given to students. Students learn to think critically. After completion of education it is expected that students should rise as responsible citizens of the nation. They should have life skills and job skills. Therefore, various skill based short term courses have been started departments. Placement cell organized training and encouraged students to face online recruitment events during the year. Students have been placed. For smooth functioning, various committees are framed. These committees plan their activities under the guidance of principal. Students most of the time faced grievances related to examination and results. These grievances are promptly communicated to university for further actions. Administrative Functioning – The duties of non-teaching staff are distributed by the Office Superintendent in consultation with the Principal. Every year admission is important task to be completed following guidelines of university and reservation policies. Admission committees and sub committees are formed prior to the beginning of the academic year. Admission process is notified to students through notice board, college website, advertisements in newspapers. The courses, fee structure, code of conduct etc. are published in college prospectus. Information of scholarship forms GOI, state Govt, NGOs is given to students through a dedicated table and nodal officer. It is strictly observed that every eligible student shall apply for scholarships. Provisions are made for student centric activities like research, cultural, library , laboratory, sports, etc. As per the demand, purchase of varies attempts is made through purchase committee.
